The Foreign Policy Association's Great Decisions program is a non partisan resource for developing awareness, understanding, and informed opinion on U.S. foreign policy and global issues. Discussion groups at libraries, in classrooms, at club meetings, and in living rooms have been held across the U.S. since the 1950s. In addition to the briefing books (available from the Foreign Policy Association website and many other book stores), expert presentations are available on DVD and iTunes. Special resources are available for teachers, librarians, and clubs.

If you are interested in global issues, you will find this program right for you and a way to meet other interesting people. Purchase a Great Decisions briefing book online at http://www.fpa.org/great_decisions/?act=gd_materials (not required for the session). Questions? Email Peg Hill worldaffairscsusb@gmail.com.

The program is free, but registration is required at: <http://goo.gl/forms/0rl1g57S50>
