“The Spotlight on Turkey program is a joint collaboration between the Turkish Cultural Foundation and the World Affairs Councils of America (WACA). This is the ninth year of this national educational program for American educators. Organized through TCF and WACA with a network of WACA affiliates nationwide, the program is funded by a major grant from TCF and features Teacher Workshops on Turkey, Teacher Study Tours to Turkey, and a series of cultural programs for the general public titled Portrait of Turkey.” The five WAC Inland Southern California teachers shown in the poster session above were selected to be part of the Teacher Study Tour in 2015.
